Packing and Shipping:

Packaging and Shipping for Dimmable LED Light Bulbs

When packaging and shipping Dimmable LED Light Bulbs, we take special care to ensure the bulbs arrive in perfect condition. We use specially designed boxes to protect the bulbs from shock and vibration. The box is lined with foam or bubble wrap to further protect the bulbs from damage. All bulbs are inspected and tested before shipping to ensure they are in working order.

We offer both domestic and international shipping. Shipping fees vary based on the destination and the number of bulbs ordered. All orders are shipped via ground to ensure the bulbs arrive quickly and in perfect condition.
