Product Description

AC85-265V Indoor LED Spot Lights Lamp- PC Luminous Flux 280LM for Indoor Applications

Product Description:

Our Indoor LED Spotlights are specifically designed for indoor lighting. Made of high-quality PC material, they provide a 120° wide beam angle and are powered by AC85-265V. They have a long lifetime with low energy consumption, making them a great choice for lighting indoors. The LED light source provides excellent brightness and clarity, making them ideal for illuminating indoor spaces. With their robust construction and reliable performance, our Indoor LED Spotlights offer a perfect solution for all your indoor lighting needs.
